

New York State Youth and Government Officer Application

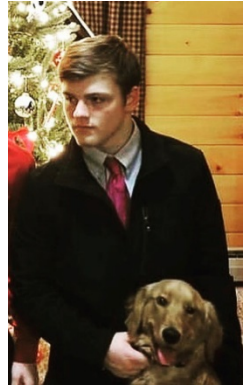

Deputy Pro Tempore of Senate Freedom

Brayden Bush

Years in Youth and Government: 3

Previous Youth and Government experience and/or other qualifications:

I was a committee chair in 2019 and will be again in 2020. I have also participated in district yag organizations since 7th grade.

Why are you seeking this office and what do you feel you have to offer your peers if selected as one of their leaders for the coming year?

When I joined YAG the POs at the time we're the most influential and helpful people in helping me find my voice. I felt that I need to pay it forward and give back to the YAG community.

Define servant leadership and describe how you plan to incorporate this if elected into office:

Servant leadership is leading with the intent of serving others while not having ones own self interest in mind. Throughout my experiences with YAG, the leadership has been selflessly helpful with anything I or anyone else has asked or needed. I feel that I need to give back to the YAG community by helping others find their voice like those before me helped me find mine. I plan to meet with as many people as possible to find their interests in YAG and help them change and grow into their best potential. Too many people don't have the opportunity to have someone help them through it. I want to be that person.
