## 2022 Virtual Advocacy Month – Social Media Posts

Use the following tweet during February’s Virtual Advocacy Month. We ask that every Tuesday in the month of February that you educate and inform your State Legislators of our 2022 YMCA Budget Priorities. The more people who participate in this “Twitter storm,” the more likely our legislators will pay attention to and prioritize our needs. Don’t forget to use the hashtags [#YWeAdvocate](#) and [#YLoveNY](#) to follow the statewide conversation!

To find your State Legislator’s Twitter Handle, please see the list below.
